**BASIS OF BEARINGS:**  
The bearings shown on this plat are based on UTM Coordinate System, 17 NORTH, NAD83(2007). Said bearings originated from a field traverse which was tied (referenced) to said coordinate system by GPS observations and observations of selected NGS monuments P9A, P3, and P3A. The portion of the centerline of State Route 18, having a bearing of South 87° 49' 43" East, is designated the "basis of bearing" for this survey.
