In making this survey for Herbert Roether I found that all deeds were described in aceres and fractions thereof. This necessitated establishing the foot frontages proportionally. My foot frontages check very closely with figures shown on Wood County Section Map on the east line of center of Simmons Rd. I accepted the County figures and adjusted the frontages on White Rd. to conform.

S. E. 1/4, Sec. 23, U. S. R. - T. 3, Perrysburg Township  
Wood Co. O.

Control points found at points shown thus  $\Delta$   
Iron pipe set at points shown thus  $\odot$   
County measurements are marked R  
# used are marked thus M

This survey made to the best of my ability and so accepted.

June 1969 Reg. Sur. 890
