SURVEYOR'S DECLARATION

We hereby declare that the hereon attached plat is the result of a survey made during April 1986. All distances are in feet and decimals thereof.

The bearings referred to herein are based upon the bearing of the N.Y.C. Railroad Co. and are used only for the purpose of angular measurement.

Any information or data on this drawing is not intended to be suitable for reuse by any person, firm or corporation or any others on extensions of this project or for any use on any other project. Any reuse without written verification and adaptation by the Surveyor for the specific purpose intended will be at the user's sole risk and without liability or legal exposure to the Surveyor.
